Conclusion / Comments

Dear authors,  
Your paper has been reviewed and it has been accepted for the full paper submission.

Please consider the following issues:

- Title should reflect the relation of your paper to intelligence and fuzziness.
- The given name(s) and family name(s) of each author their addresses should be given correctly.
- The objective and originality of the paper should be given in the abstract section.

The abstract should briefly state the contribution to the field in a concise manner.

6. On the page a written review text and if exists a pdf attachment will be shown. Click on the PDF and you will receive the review report.
